

Noble Earth Technologies
Reactor Degreaser

CAUTION - POISON
KEEP OUT OF REACH OF CHILDREN
CONTAINS 250g/L SODIUM HYDROXIDE

FLAMMABLE LIQUID,
N.O.S. UN 1760

The Noble Earth Technologies 'Reactor Degreaser' (R.D) is an intelligent kitchen system - saving space, reducing product numbers and cost with no loss of quality. This remarkable formulation replaces three commercial kitchen products with one. The Reactor Degreaser can be used as an Automatic Dishwashing Detergent, an Oven and Grill Plate Cleaner, and as a Heavy Duty Degreaser.

DIRECTIONS FOR USE:

Automatic Dishwashing Detergent - Take 5 litres of Noble Earth Technologies R.D and dilute with 15 litres of water. Label the drum 'Automatic Dishwashing Detergent Reactor Degreaser' with a label supplied by your Noble Earth Technologies representative. Use this product with the dishwashing machine by connecting it to the dosing machine feeder tube.

Oven and Grill Plate Cleaner - Take 4 litres of Noble Earth Technologies R.D and dilute with 21 litres of water. Label this drum 'Oven and Grill Plate Cleaner Reactor Degreaser' with the label supplied by your Noble Earth Technologies representative. **Use this product as directed on the label.**

Heavy Duty Degreaser - Take 4 litres of Noble Earth Technologies R.D and dilute with 21 litres of water. **Use this product as directed on the label.**

NOTE: As with all degreasers, a test sample should be tried on an inconspicuous section to assess surface compatibility.

For further application details and technical information and uses please consult with the Noble Earth Technologies technical department.

SAFETY DIRECTIONS: Do NOT use on aluminium filters and equipment etc. Corrosive – may produce severe burns; attacks skin and eyes. Wear eye protection and protective gloves when mixing or using.

FIRST AID: If poisoning occurs, contact a Poisons Information Centre (phone 13 11 26 from anywhere in Australia) or a doctor at once. If swallowed, do NOT induce vomiting. Give a glass of water. If in eyes, hold eyelids apart and flush eye continuously with water. Continue flushing until advised by the Poisons Information Centre or a doctor, or at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water.
