

Noble Earth Technologies  
**Vision Guard – Pre Cleaner**

---

**CAUTION – POISON**  
**KEEP OUT OF REACH OF CHILDREN**  
CONTAINS HYRDOCARBON

Noble Earth Technologies 'Vision Clear Pre-Cleaner' has been specifically formulated to prepare any suitable surface for the secondary coating of 'Vision Clear Non-Stick Coating'.

**DIRECTIONS FOR USE:** Shake well before use. For new glass, spray 'Vision Clear Pre-Cleaner' evenly onto the surface. Using a clean cloth, wipe over the entire surface vigorously. Now apply Noble Earth Technologies 'Vision Clear Non-Stick Coating'. For glass that is not brand new, please refer to preparatory application instructions.

**SAFETY DIRECTIONS:** Avoid contact with eyes and skin. Eye protection and rubber gloves should be worn. Keep out of reach of children. Use with adequate ventilation. Do NOT puncture or incinerate the container even when empty. Do NOT expose to heat or store at temperatures above 50°C, as may occur in cars, heaters, stoves or open flames, as the container may burst. Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal.

**FIRST AID:** If poisoning occurs, contact a Poisons Information Centre (phone 13 11 26 from anywhere in Australia) or a doctor. If eye contact occurs, wash eyes thoroughly with water. If irritation persists, contact the Poisons Information Centre.

## Vision Clear – Non Stick Coating

---

**CAUTION – POISON**  
**KEEP OUT OF REACH OF CHILDREN**  
CONTAINS DIMETHYL ETHER

Noble Earth Technologies 'Vision Clear Non-Stick Coating' is ideal for the protection of glass, stone, tiles, grout and more.

**DIRECTIONS FOR USE:** See application instructions before proceeding. Prior to applying 'Vision Clear Non-Stick Coating', ensure that the surface has been properly prepared using Noble Earth Technologies 'Vision Clear Pre-Cleaner'. Evenly spray Noble Earth Technologies 'Vision Clear Non-Stick Coating' onto the prepared surface. Using a clean cloth, wipe over the entire surface vigorously. Any excess product is obvious by the hazy film left on the surface; remove this excess by wiping the surface with a clean cloth.

**SAFETY DIRECTIONS:** Avoid contact with eyes and skin. Eye protection and rubber gloves should be worn when using this product. Keep out of reach of children. Use with adequate ventilation. Do NOT puncture or incinerate the container even when empty. Do NOT expose to heat or store at temperatures above 50°C, as may occur in cars, heaters, stoves or open flames, as the container may burst. Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal.

**FIRST AID:** If poisoning occurs, contact a Poisons Information Centre (phone 13 11 26 from anywhere in Australia) or a doctor. If eye contact occurs, wash eyes thoroughly with water. If irritation persists, contact the Poisons Information Centre.
